Rivenstar Shines at This Land Event

By Kaitlyn Macleod

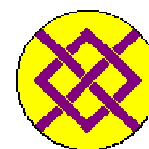

On Saturday April 30th, 2005, The Shire of the Shadowed Stars in Fort Wayne Indiana held their annual Event This Land is Our Land. This is traditionally a regional war practice for heavy fighters, fencers, combat archers, and ballista crew. Everyone had their fill of armor and fighting including the children as they stormed the castle walls and over took HRM Alaric in their own castle battle.

We had a number of authorizations including Cecil who authorized on the fencing list, and newcomer Joe Andrews, who authorized in heavy and as a trigger operator on the ballista.

HRM Alaric held a short court in the evening during which Arrantxa Idazle Iruñekoa received a Purple Fret for her work on the web and in the scribal and heraldic arts, and both Marina da Fiore and Francoise Katze received the Cavendish Knot for their service and skill they bring to the fencing list.

Baronial Phone List

Hi All,

As you all probably know I am in the process of updating the phone list. I am going to try to contact everyone in the phone list files in order to verify that the info is correct. I am also considering a couple of minor changes to the format of the phone list.

1. Changing the name of the "Wandering Souls" list. Always made me think that once you leave Rivenstar proper, you are doomed to limbo. I am thinking -- The Greater Rivenstar Area. Suggestions are welcome.
2. Adding a "help wanted" section, for anyone whose info can not be verified or has not been verified for 2 years.
3. I am still familiarizing myself with this version of FileMaker. I believe that I will be able to export the phone list in a format that can be imported to various address book programs. If this works, you should be able to access the phone list on your computer. More info when I figure that function out.

If anyone has more suggestions for changes, let me know. I will give any suggestion the consideration it deserves.

Record Turnout for Demo

By Katalena Izmaragd Ivanova

Eight members of the barony helped out with the Battle Ground Middle School demo this year. The children were very excited to see the people singing in garb and fighting in armor. They happily participated in the ever popular mortality demo and there were even a number of eager volunteers for dancing.

It seems Rivenstar has a growing reputation with the children of the school. A few of the 8th graders were terribly disappointed that they would not get to see the demo this year as the demo is generally done for the 6th grade class. This year's class will no doubt excite the younger grades with tales of swordsmen and revelry and have them waiting in anticipation for when they will have their turn to see Rivenstar's demo next year.
