

# The RivenSTAR

*Special Investiture Edition*

## The End of an Era

By *Katrín Grímsdóttir*

As we celebrated our 40th anniversary, we did so with the heartfelt knowledge that Takaya and Moonwulf will be stepping down. The Barony of Rivenstar is unusual as we have had the privilege of serving under the same baron and baroness these past forty years.

I've been a member of Rivenstar for three decades and it still surprises me when someone remarks about how long Moonwulf and Takaya have been baron and baroness. To us, their presence has always been business as usual. To the rest of the world, their longevity has been something short of a miracle.

In November 2015, we began the search for a new baron and baroness by holding Q&A sessions with Takaya and Moonwulf. Members asked questions and got to know what it takes to run a barony from behind the scenes.

At Christmas Court, the barony was formally introduced to the three Baronial Candidates.

Maighstir Adhamh MacAoidh and  
Lady Malie bean MhicAoidh

Warder Gallien de l'Île and  
Lady Aurora Lucia Marinella

Master Sigulf Karlnar and TH Lady Giuliana

These were the brave souls who have decided that they were willing to try to fill some pretty big shoes. All of the candidates have put in long hours in service to the barony and have been well

received by the populous.

We are a large barony full of people busy with home, work and play. Since not everyone who claims Rivenstar as their home attends every business meeting, fighter practice, and social group gathering, we decided to give the candidates their own set of Q&A sessions to get to know them.

Each candidate was given a chance to answer questions and get to know the populous better. We held two Q&A sessions for each candidate. One was held at the weekly business meeting and the other was held at the weekly fighter practice. We chose these nights as they have been the long standing meeting nights for the barony.

The questions we asked each of the candidates were fairly in-depth and probably better suited as essay questions, but everyone answered fairly and honestly. We wish all of the candidates the best of luck. Polling ends February 6, 2016.

Notes from the business meeting Q&A sessions can be found posted on [rivenstar.blogspot.com](http://rivenstar.blogspot.com)

## Rivenstar's Baronial Business Meeting Minutes

### Meeting Minutes for 11-9-15

#### Events of note...

Huis Doorn hosted fencing and archery this past Sunday. 15 archers were in attendance.

#### Officer Reports:

##### Chronicler

The chronicler returned John's collection of photos. The new deputy chronicler Katrin Grimsdottir will begin taking notes at business meetings and sending them to the lists. We are still looking for a Chronicler. Katrin has been a Chronicler in the past and is willing to teach someone new if they are interested in the position.

##### Archery

We are looking for possible indoor range options. Steep rental fees may be an obstacle. One option would be to investigate the Purdue Archery club's resources. We have several new volunteers for Marshal training. It was suggested that we submit the list of names of attendees as part of the doomsday reports. It was requested that we make Business Meeting highlights available to the Sunday crowd.

##### A&S

The next few classes have been cancelled; however, there has been an offer to do a tunic tutorial for the new archers so they will have basic garb for Better War.

The next dance practice will be on the 17th.

##### Chatelaine

Doomsday report has been sent in.

##### Baron/ess

There has been a request for all groups to donate \$250 for the 50 Year Fund. The Barony decided we should be able to spare those funds. More details will be coming up at the planning meeting at Better War. The Baron was also sent a questionnaire about his reign as King for the History of the Middle Kingdom Kings and Queens project. We shared several stories he plans to include in the questionnaire.

#### Upcoming Events and Announcements:

##### Christmas Court

Looking into the Wesley Foundation as a new site. With a deposit of \$200 and a possible rental fee of \$200, this seems like the best option so far.

##### Spring Event

We have been confirmed as host for regional A&S.

**Baronial Q&A** - There will be two more Baronial Q&A sessions to be held next Wednesday 18th at fighter practice and next Monday 23rd at the business meeting.

For those who wish to be considered for the position of baron and Baroness, please send your Letter of Intent to the Seneschal by Friday Dec 4th.

#### Highlights from the Baronial Q&A 11-9-15:

There was a review of questions asked last Wednesday. It was mostly basic information like filling out reports, swearing fealty, being caretakers of the baronial stuff, and honorary duties associated with the position. We also discussed how much stuff is getting passed on. We will need a regalia committee to look into replacing a number of items for the next Baron and Baroness.

Moonwulf and Takaya discussed the criteria for the positions and what personality traits and experience would be needed to perform the duties. Candidates should be able to attend several events each year including our own.

We discussed the topic of baronial awards. The general consensus was to keep the three awards. If there was something specific needed, we should look to the kingdom awards.

~~~~~

### Meeting Minutes for 11-16-15

#### Events of note...

At the Known World Academy of Rapier and Costuming Symposium this weekend Cecil du Pont was placed on vigil for the Order of Defense and Master Patrick was placed on vigil for the order of the Pelican.

#### Officer Reports:

##### Archery

The season is coming to a close due to weather concerns.

##### Baron/ess

We discussed the 50 Year Fund. Baroness Flame seems to be spearheading the donations for the event, but we have had no contact from Their Majesties about donations.

What is the money for exactly? The 50 Year Fund website states that the funds will go towards audio visual equipment rentals for an historical display.

## Rivenstar's Baronial Business Meeting Minutes

### Upcoming Events and Announcements:

Announcements and Meeting Minutes will be posted on both Facebook and the Rivenstar email list.

We discussed formatting for social media, meeting minutes, highlight announcements, and the need for a more cohesive communications system.

### Christmas Court

The Wesley Foundation booking has been confirmed for Dec 5th.

The deposit is \$200 with a rental fee of \$275. We have the great hall, but there are no kitchen facilities. We discussed using the basement kitchen for an additional \$75, but the consensus was to forgo the kitchen and recommend people bring in crock pots. It is a very dry site. The seneschal will inquire about candles/open flame.

Katrin will create an event page on Facebook including directions, parking, and schedule details.

### Baronial Q&A

There will be two more Baronial Q&A sessions to be held next Wednesday 18th at fighter practice and next Monday 23rd at the business meeting.

**No fighter practice Wednesday Nov 25th** due to Purdue shutting down for the holidays. Practice will resume the following week.

### Spring Event

We have a Certificate of Insurance for April 23rd. We discussed using additional rooms for royalty and the option for camping. No decisions have been made yet. Discussion tabled for future meetings.

~~~~~

### Meeting Minutes for 11-30-15

#### Events of note...

Katrin reported on the Hafla (Middle Eastern dance party) held in Bloomington, IN on November 21st. Lots of SCA folks in attendance. They raised \$1200 for the Women's Shelter.

Rocky visited the Textile Discount Outlet in Chicago. It has three floors and tons of fabric. The website is [www.textilediscountoutlet.com](http://www.textilediscountoutlet.com)

#### Officer Reports:

#### Madrigals

They will be singing at Christmas Court.

#### Chatelaine

She will be bringing loaner garb to Christmas court.

#### Seneschal

Gallien is submitting his last report as Seneschal. Brianna the Small will be the acting Seneschal during the transition period.

#### Chronicler

Last week's meeting minutes will be out on Tuesday. The Chronicler is having trouble emailing files to the Rivenstar email list. Katrin will check to see if there is some other solution possibly with google docs. The question of how to get on the Rivenstar list and Facebook pages came up. Katrin will also look into creating instructions for gaining access to the lists.

#### Archery

On hiatus for the winter.

Discussed equipment storage for the winter and the need for a full inventory possibly in January. Discussed maybe having formal equipment check out systems, but that has been tabled for now.

#### Marshal

Thrown weapons report was submitted successfully.

#### Baron/ess

Submit your baronial award recommendations ASAP! We discussed a need for an inventory of all baronial items.

### Upcoming Events and Announcements:

#### Christmas Court

Event information is listed on Facebook as an event page. Katrin will also post the information on the Rivenstar email list.

Officers discussed the dishes they are planning to bring.

There will be dancing and the site does have a sound system.

We can have open flame for the tables.

We will have access to a refrigerator, but not a stove.

We also discussed children's gifts.

#### Spring Event

The event name will be Three Saints and an Investiture. A&S Brewing judging will be offsite. We do not want to pay the extra money for a police deputy to be on site.

#### 50th Year Event

Do we want to have an encampment on site for the

## Rivenstar's Baronial Business Meeting Minutes

barony? Will discuss later.  
No ground fires allowed, no shower pits, and lots of other odd restrictions.

~~~~~

### Meeting Minutes for 12-7-15

#### Events of note...

There were lots of reports on Christmas Court. It was an overall success and we should find out soon if we will get our deposit back for the site.

Takaya also attended an equestrian event on Sunday.

#### Officer Reports:

##### Madrigals

No practice until next semester.  
They are getting ready for a performance at the spring event and possibly one for the 50th year celebration.

##### Archery

On hiatus for the winter.

##### Exchequer

The bank statement has arrived.

##### Chronicler

The office is transitioning to Katrin.  
Moonwulf will submit a list of the awards given during Christmas Court as well as a list of previous award winners for the newsletter.

##### Webminister

Looking for a new Webminister.

##### Marshal

A request was made to extend the hours of Wednesday fighter practices. ROTC has the armory until 8:00 pm. Unsure about the schedule afterward.

##### Seneschal

Letters of intent have been submitted.  
We discussed how polling would take place and how it would affect non-members and out of barony members.  
If people who live outside of the baronial territory want to weigh in, they will have to submit their choices via mail to their majesties.  
There will be an online form to fill out for non-members living within the territory.  
More details will be brought to next week's meeting.

#### Upcoming Events and Announcements:

December 14th will be the last business meeting until we return January 11th.

December 16th will be the last fighter practice until we return January 13th.

#### Spring Event

An event planning session has been scheduled for next Monday's business meeting  
A&S Brewing judging will be offsite.  
The Pale deadline for submitting an ad for the April newsletter is in February.  
We discussed attendance numbers for last year.  
A \$10.00 site fee was proposed.  
We decided to have both the seneschal and the autocrat's name on the insurance contracts for the site.

#### New Business:

##### Pieter proposed that having everyone use Facebook would be useful for streamlining communications.

He also gave us a brief history of the communication methods we have used within the barony including prior resistance to new technology such as email. Facebook has numerous tools including event pages, group messaging, and storage for documents; but Facebook has a poor search engine which makes fishing through all of those posts for critical information difficult.

We would need to get everyone on the same page technologically speaking for this to work. Perhaps a class?

##### Katrin created a blog for Baronial use.

The blog will serve as an online newsletter and will be the home for links to event pages, important announcements, meeting minutes, and access to signing up for the Rivenstar email list.  
The officers and the Baron and Baroness approved the use of the blog.  
<http://rivenstar.blogspot.com/>  
Hopefully, the blog format will help us cut through the clutter in the email list and the Facebook postings. It does not require additional accounts to access.

##### Nan requested that we have Q&A sessions for the Baronial Intendants.

One couple would be given a chance to answer questions per meeting.  
One Monday and Wednesday night session was suggested for each couple.  
Since polling is happening in January, we need to

# Rivenstar's Baronial Business Meeting Minutes

schedule these sessions soon.  
 More discussion will happen at the next Business meeting.  
 We discussed some of the stranger expectations and demands placed on the baron(ess) as well as their spouses.

~~~~~

## Meeting Minutes for 12-14-15

### Officer Reports:

#### Madrigals

On hiatus for the winter.

#### Archery

On hiatus for the winter.  
 Getting an Arrows 3 winter discount may be possible which would be better than the arrow net idea. Lots of discussion happening on Facebook between archers.

#### Exchequer

We got our site deposit back.  
 The monthly report is done.

#### Chronicler

The officers signed the officer transition form.

#### Webminister

Looking for a new Webminister.  
 Ursus said he might be interested in working on the website for us, but he is not a local baronial member, so he cannot hold an office. Katrin is willing to hold both offices of Webminister and Chronicler if she has a deputy that can run the website.

#### Baron/ess

Wishes the Barony a happy and safe holidays!  
 Takaya's New Year's Eve Party – Full details will be posted online. Dec 31st at Takaya's house. No earlier than 8:00 pm or you will be put to work!

#### Marshal

December 17th – Armoring Night

#### Seneschal

Scheduled Q&A Sessions for the Intendents

Adam & Molly – Mon Jan 11th & Wed Jan 13th  
 Gallien & Aurora – Mon Jan 18th & Wed Jan 20th  
 Sigulf & Julianna – Mon Jan 25th & Wed Jan 27th

Polls for choosing the new Baron and Baroness will be mailed in December to card carrying members. They

will be due Mid-February.  
 Brianna will check with the Transitions deputy to see about getting a week extension to allow more time for the Q&A sessions and polling.  
 Gallien will check with the student president to confirm that we have meeting rooms scheduled for Spring Semester.  
 We do have the Armory practices scheduled for next year.

### Upcoming Events and Announcements:

#### Spring Event

\$10 Site Fee & \$10 for Feast ticket  
 Pale ad for the April newsletter is due Feb 25th, but we want to have it done before then. Katrin has volunteered to design the half page ad. We also discussed what information needs to go into the ad. Facebook event page is also in the works.  
 Family site fee cap is \$30 and this does not include feast.  
 We decided to go back to our roots for feast this year and use some of our traditional recipes.  
 We will set a budget and create the menu based on that budget.  
 Feast ideas were discussed, but the topic has been tabled until next meeting.

~~~~~

## Meeting Minutes for 1-11-16

### Officer Reports:

#### Seneschal

The poll for non-members is up on the Kingdom seneschal's webpage and a poll extension has been granted to the first week of February.  
 Non-members were defined as those who do not have an SCA membership or who live outside of the barony's official territory.  
 Seneschal needs to have other officers fill out the change of officer form and will inquire about the Monday night room schedule.

#### Chatelain

Needs to purge the collection of loaner garb once again, so she will bring garb bins to next Wednesday's fighter practice for the newbies to look through.

#### Exchequer

The monthly statement has arrived.

## Rivenstar's Baronial Business Meeting Minutes

### Baron/ess

Dani commissioned Palnor to make a new baronial box to hold crowns, scrolls, and other useful items needed for court.

We payed Janus for the Napatorium in full. The big tent is now baronial property.

### Equestrian

The barony needs to pay the fees for the annual insurance policy for equestrian activities.

Takaya is also looking into the schedule for the Indy practices.

### Chronicler

The Webminister position is still open. Contact Caitrina for more information.

If you don't have a gmail account and want to join the email list, send a message to rivenstar+subscribe@midrealm.org

Due to conflicts, Katrin will not be able to hold both offices of Chronicler and Webminister.

The group discussed the various admin duties of the social media groups and email list.

If anyone wants to post to the blog website, contact Katrin.

### Madrigals

They have a wedding performance as well as getting ready for the sprint event.

### Archery

The winter practices at Arrows 3 are Sundays from 1-3 or 2-4pm.

Thanks to an anonymous donation, we have been able to shoot for free for the last practice. We discussed different ways we can use the rest of the donated money. One suggestion included giving archers a 50% discount so we can stretch out the funds.

Bowen repaired all of the tips for the loaner gear. We discussed having a budget for baronial gear repairs since the Arrows 3 backstops are hard on the equipment. Rocky still has lunch money left over from last year's event. Moonwulf decided those should go towards the heavy loaner gear repairs since that's what that money was intended for.

Arrows 3 charges \$1.40 to repair tips. This prompted the discussion and need for an arrow making class. We have plenty of experienced members and lots of raw materials at our disposal.

An arrow making class will be scheduled soon.

Rides will be arranged for the Better War Event.

Discussed getting signatures for the archery MIT forms.

### Herald

Nikolai is looking for volunteers for the Regalia committee.

He has a number of questions for Moonwulf and Takaya about baronial regalia and he requested that we announce at all of the meetings that he is recruiting for the regalia committee.

### Announcements & New Business

Nan will be holding a T-Tunic making class this Saturday 1-16-16.

Meet at Joann Fabrics (SR26 and Sagamore Parkway) at 11:00 am to discuss fabrics and what to look for when making period grab. After the fabrics lesson, everyone will go to her house for the sewing class which will include measuring, cutting, and sewing. Bring a loose fitting shirt.

Pieter brought the question of why do we need both the Medieval society Facebook page and the Barony of Rivenstar Facebook page?

There seems to be lots of over overlapping posts and confusion about conversations on one and not the other. The consensus seems to be that new Purdue students can find the Medieval Society page easier than the Rivenstar page. For now we will keep both and table the discussion for later.

Adam and Molly answered questions during the Q&A session.

Notes from 1-16-16 will be posted online.

~~~~~

### Meeting Minutes for 1-18-16

#### Events of Note...

The Q&A Session from last Wednesday was not as successful as we had hoped. The fighters were distracted by the Gold Key giveaway and it was the first night back from winter break. Adam said they did answer a few questions after practice was over.

The Candidates decided they would like to write out their responses and submit them as well as answer them in public. Answered questions will be posted along with Katrin's meeting notes.

#### Officer Reports:

##### Exchequer

Currently working to correct errors with the monthly

## Rivenstar's Baronial Business Meeting Minutes

financial statement and submitting the doomsday report.

### Chronicler

Posted meeting minutes and last week's Q&A Session via email, Facebook, and the blog. Marion brought in copies of the last three issues of the Rivenstar from 2015 as well as requested corrections to officer information and baronial awards from Christmas court.

### Madrigals

They have a wedding performance as well as getting ready for the spring event.

### A&S

Aurora has issued an A&S challenge. She encourages everyone in the barony to enter the upcoming A&S Faire. Participants will earn a token.

Looking for resources for the upcoming arrow making class. TBA

She will be working on a German costuming project and has offered to have people come over to her house and work on projects.

Eight people attended Nan's T-Tunic making session. Nan walked people through Joann Fabrics and let them know what fabrics to look for and what to stay away from. She walked them through the sewing process from beginning to end. Two tunics were completed that day.

Aurora turned in her end of year report. Please submit any A&S projects, classes, or activities you participate in so she can add those to her next report.

### Baron/ess

Encourages everyone to attend the Q&A session and ask questions. Get your polls sent in by the due date February 6th!

### Seneschal

Sending in the change of officer form.

Not all of the Letters of Intent were posted on the website. Will send copies to Katrin to post on the blog along with the Q&A sessions.

### Archery

We created a Facebook event page to help us prep for Better War. Rides will be arranged for the upcoming Better War Event. We are still using the donated gift certificate.

### Announcements & New Business

Gallien and Aurora answered questions during the

## Rivenstar's Baronial Business Meeting Minutes

PENNSIC registration is up. Make sure you register early!

### 50th Year

We will have a Baronial presence at the 50th Year Event.

We discussed commuting and camping options, use of the napatorium and other tents, and what resources we want to commit to the Rivenstar hang out space. There will be a tavern and food trucks. There are shower facilities as well.

Gallien offered to act as Camp Master.

Takaya created a land group – Rivenstar Individuals need to create a “Family” registration even if it is just for a single reservation. Once you’ve registered, then you choose Rivenstar as your camping group.

The number of people registering under Rivenstar’s camping group will determine how much space we will have.

All meeting minutes for this issue were recorded by Katrín Grímsdóttir.

### We have a blog!

[Rivenstar.blogspot.com](http://Rivenstar.blogspot.com)

The blog, named the **RivenSTAR Express**, is a quick and easy way to find information and announcements. Not everyone uses the email list and not everyone likes to hunt for old posts in the lengthy Facebook group feed.

The blog solves both problems. Think of it as a mini website set up with links to useful websites. No memberships or additional accounts are required. It provides instant access to meeting minutes without the need to download files and it has an easy to see archive of posts.

Please contact the Chronicler if you would like an SCA or Rivenstar related announcement posted on the blog feed or have a link added.

Katrín Grímsdóttir - [katrinthescrivener@gmail.com](mailto:katrinthescrivener@gmail.com)  
Please allow 48 hours for posting. Last minute events should be posted on the Facebook group.
