

The RivenSTAR

Bimonthly Edition

Congratulations to Malie and Adhamh the New Baron and Baroness of Rivenstar

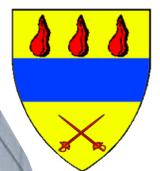

Greetings unto the Middle Kingdom from your Tsar and Tsarina!

We are faced with an unprecedented occurrence in Our Kingdom! The venerable Baron and Baroness of Our Barony of Rivenstar, Moonwulf and Takaya, have indicated that they are finally ready for a rest after a long and distinguished career as the heads of the Barony. We are minded to grant this request as their service has been impeccable. But who could possibly fill such momentous shoes?

Fortunately, many fine candidates stepped forward for consideration. We were well impressed with each, and confident that any of the candidates would look over Our lands in Rivenstar with dedication and wisdom. However, there can only be one Baron and one Baroness and, as such, We have selected Maighstir Adhamh MacAoidh and Lady Malie bean MhicAoidh to serve in this role.

Their elevation shall occur at Feast of Three Saints and Constellation Regional A&S on April 23 (West Lafayette, IN). Please join Us in celebrating both the outgoing and incoming Baron and Baroness!

In service to the MidRealm and Her people,
Nikolai & Serena

Rivenstar's Baronial Business Meeting Minutes

Meeting Minutes for 2-8-16

Events of note...

Better War Through Archery - Wilhelm is now officially an Archery Marshal and Rivenstar has two new MITs, Adrian and Danielle. They had a lot of fun with target practice. Rivenstar saved the day by bringing all the loaner archery equipment and being able to loan it all to Sternfeld. Classes were sparsely attended. Francoise reported being the only one in the "sprang" class. Feast was good. Others who went were: Adhamh, Breanna, Gallien, Alex, Takaya, Nina, Sparrow, Amelia, Aurora and Boen. Good showing by Rivenstar!

Officer Reports:

Archery

It was noted that they were using EVA foam (anti-fatigue) mats 2 packages at a time to stop arrows at Better War, might be something to check into. Sunday practice went well.

Madrigals

Pieter reports that they are making progress, dashing through old favorites. Pieter mentioned having an on-line discussion with a Bard who feels that success is eliciting a period emotion. Interesting viewpoint.

Exchequer

Francoise went to the exchequer meet and greet/ Q&A session at Better War, she and one other exchequer were the only two present. Her take away from that session was "don't worry it will all work out in the end." Meaning the finances will straighten themselves out if they don't exactly balance one time.

Chatelaine

Rocky reported that there is a New-comers survey on google.com for those participating 1 year or less to take. She also said that if you need garb or have garb to return or donate, contact her.

Seneschal

Breanna reported that baronial polling is closed. Thanks to all who participated. Polling had to be mailed in. There was some question of it being on-line but the only thing was a PDF that had to be printed and mailed.

Baron & Baroness

Wulf and Takaya reported on the Regalia Committee meeting. There is a need for some Baronial coronets. The thought is to have a pair done in leather first because they would be most comfortable. The design

phase is to follow. It is thought that a goal would be to have Baronial chairs by the time of Pennsic. After that, then maybe a set of brass (brass kick-plate) coronets for court could follow.

New Business:

Malie noted that she has swatches coming from a store in Indy so that we can purchase "Rivenstar Blue" in bulk.

There was a feast planning meeting at Marian's house on Sunday (2/7). Most of the menu was decided.

There will be the first feast tasting at Pieter and Nan's at 6:30 PM 2/21.

John Skinner attended the Biblical Symposium and was lucky enough to see 300-400 year old parchments and scrolls.

~~~~~

### Meeting Minutes for 2-15-16

**Event Reports:** Gallien went to Val Day. So did Malie and Adhamh. Pieter reported that there were 100+ fencers and that he did not fence them all (probably not for lack of trying). There were many fine recognitions during Court. Pieter won the bear pit poker tourney and Nan got a box of chocolates.

#### Officer Reports:

##### Seneschal

Breanna received an e-mail stating that the cost of the polling was a little over \$76. (postage, paper, return envelopes etc.)

##### Exchequer

'Coise reported that the statement needs to be signed but that her report is ready. She will cut a check for the polling costs.

##### Madrigals

Pieter announced that a new singer Darrin joined the group and welcomed him to the meeting.

##### Archery

There was no practice this Sunday due to Valentine's Day. Wilhelm received some leather from Moonwulf for a finger tab and arm guard class that he wants to hold soon. If the weather gets warm they may be back to shooting outside soon.

##### Equestrian

Takaya has a report due in a week or so. All the

# Rivenstar's Baronial Business Meeting Minutes

Indiana marshals reported on time. More than 100 horses are pre-registered to participate in 50 year celebrations.

### A&S

Mallie reported that she and Aurora are getting together to get some loaner gear started. There were 17 new fencers on the lists this week.

### Baron/ess

Coronets are on the table for discussion again due to the hefty price for leather ones. The discussion will be taken up further at the Regalia Committee meeting

Pre-reg for 50 year closes May 17th. Register under the group name "Rivenstar"

### Current Business:

Griffin noted that club T-shirts are needed since we now have the membership to support such a move. He noted that most other clubs have T-shirts. These would be especially good for BGR events. We should have some swag to give away.

He also reminded the group that we need to reserve a large showcase window at Stewart Center and talked of the possibility of doing some sort of demo during Mosey Down Main street.

There will be a feast tasting at Nan and Pieter's at 6:00 PM on 2/21.

Gallien posted links to the 50 year registration on Facebook.

Francoise indicated that since we have had a change in officers (Seneschal and Regional Exchequer) that a new signature card will have to be signed at the bank.

~~~~~

Meeting Minutes for 2-22-16

Officer Reports:

Archery

Wilhelm has a report due at the end of the month and will teach the MITs to do it.

Thrown Weapons

Wulf has a report due as well. He made new wooden targets for the 50 yr. celebration.

Madrigals

Pieter reports they are proceeding apace.

Chatelaine

If you need garb, see Rocky.

Exchequer

'Coise reported that the check for polling is mailed and the report is in.

Equestrian

The horses are dirty, muddy up to their ears.

Seneschal

Breanna reported nothing new on the polling front.

Baron/ess

Wulf checked on brass kick-plates for baronial coronets. Menards only carries brass plated kick plates. But, solid brass is available on Amazon for about \$45. There was some discussion about construction of the coronets and "Chicago screws" were mentioned but it was not something this note taker understood enough to write about.

Current Business:

Breanna had some contact with Nicolai on the leather coronets. The price of \$250 - \$350 was for a pair. Other options are being explored. Takaya priced star sapphires. A man-made one of a fair size is about \$25 each so there will probably be only one per coronet. Other stones may be used. Decorations and manufacturing methods were discussed.

~~~~~

## Meeting Minutes for 2-29-16

### Officer Reports:

#### Archery

the group was gifted with arrow noches (sp?) and is looking for arrow repair instruction. Waiting for the weather to get better, dryer before moving outside again. The quarterly report is due tomorrow and Wilhelm will have it done tonight.

#### Madrigali

Pieter says they are making progress. There were actually as many basses as the rest of the choir at the beginning of practice tonight.

#### Chatelaine

Rocky dressed Darrin (the newest tenor/bass in the madrigal choir) so he is able to attend events now. She is also in discussion with Griffin on student T-shirt designs

## Rivenstar's Baronial Business Meeting Minutes

### Exchequer

Francoise is in touch with the Regional Exchequer about the change of names as signatories to the account but the transfer is on hold due to the unavailability of the Regional for a short time.

### Student Org.

Griffin looking into printing and the cost of student org. T-shirts from Underground. He showed a T from another club as an example. The T's could be up to \$20 each but the more purchased, the less each is. Rachael, Rocky and some others turned in designs but there are rumors of more designs in the works. He is still asking for ideas for buttons and magnets.

### Equestrian

Takaya is resigning as the Regional Equestrian Marshal and Gwendolyn is taking over.

### Baron/ess

Takaya has been getting requests from people asking for info to be posted on the Rivenstar Website and linked to the midrealm calendar. We will have an ad in the April PALE.

Wulf started working on the "new" Ancient and Honorable Coronets - he had a mock up and is planning a star sapphire in the center with glass cabochons or pearls on 3 or 4 sections. He also noted that people who haven't been around in 30 years are talking about coming to the event.

### Webminister

Erin has contacted Catriona to take over the duties and is waiting on return information with access to the webpage.

### Martial

Mallie noted that they are still stabbing people and that lots of people are still turning out weekly

### Spring Event

We need a Royalty Liaison and Gallien volunteered. Many thanks.

Breanna will contact Sigulf and Caitriona to get some content to the webpage.

There will be another feast tasting at Huis Doorn on Sun, 2/6 at 6 PM. Wulf presented his ideas for the Coronets and much discussion ensued.

Breanna asked Griffin how he is planning the T-shirt

design selection. It may be on a doodle poll or something so the ideas could be compared. He is asking for more ideas, not necessarily artwork so if you can't draw, just present your words. He predicts 2 weeks to get it all together.

~~~~~

Meeting Minutes for 3-7-16

Officer Reports:

Exchequer

Francoise asked that the signatories meet at the bank to change the signature card someday soon. Signatories will now be Francoise as Exchequer, Breanna the Small as the Seneschal and Pieter (the neutral third party). Next week, 'Coise will have the monthly report done for Feb.

Martial

Mallie noted that practice will happen but not over spring break

Chatelaine

If you need garb or have garb to pass along, see Rocky. She is planning to bring garb to the armory the Wed before the event for those in need. There is a Fiber Fair this weekend. Contact Rocky for details

Madrigali

They got through three pieces all in one night with a brand new singer. Welcome to Michelle!

Archery

Danielle and a friend repaired arrows! Yea. Hoping for consistently dry weather to be able to move outside. The archery marshals report was turned in. Wilhelm is not sure if the MIT reports are in or not. (MITs please notify him if you've done your report - you know who you are)

Seneschal

Breanna's very first quarterly report as Seneschal (first of many we hope) was in on time.

Webminister news

Ursus has volunteered to be the deputy webminister because he knows how to code. Erin will be the official webminister with his help. They are still trying to get in touch with Caitriona to pass on the badge and duties of office.

(As the meeting progressed, Malie heard back from Caitriona who stated that she would meet them on

Rivenstar's Baronial Business Meeting Minutes

Wed to give them the stick on which the access codes etc to the website were located.) So folks, Three Saints information should be coming soon.

Equestrian

Takaya needs to update her membership before it is due to be able to cover all the practice time over which they are planning to get insurance. Pieter also needs to have input on the insurance policy. They will discuss. They are going to put the official times for equestrian practice down as 11 AM to 4 PM on Sundays from May through Fall (Oct?). In reality practice will be a two hour window sometime within that span however this will give them the flexibility to shift practice times as the weather or other needs may dictate.

Baron/ess

Wulf notes that if you are planning to attend any of the 50th year festivities, get your reservations in now. So far 12 people have signed up from Rivenstar which makes the space allotment about 2900 sq. ft.

Spring Event

People are asking for Information! We need updates ASAP. Things are getting critical.

There will be two Laurel elevations at our event.

Aurora has posted on Facebook that there will be classes at the event but do we have the rooms? Gallien confirmed that rooms are reserved to accommodate classes. There was much discussion on where things and people would be held/housed. Hope for good weather - it might be needed.

Gallien had contact with representatives of TRMs in his role as Royal Liaison and they had many questions as to fees, comps, help and food as well as children's activities, all of which were asked and answered - he is passing along the information.

The Feast menu was discussed and anyone with food sensitivities is encouraged to address comments to Marion Miller.

Meeting minutes for 2/8 thru 3/7 by Marian Hryhorcova

~~~~~

## Meeting Minutes for 3-14-16

## Officer Reports:

### Exchequer

Gave monthly statement and report to seneschal. Coordinating bank signature changes. In the March Pale, there was an article about groups using Pay Pal for registration payments. If we REALLY want to use it we can, but it would delay payment. It's easier to just process paper checks that we get in the mail. We decided to table the discussion for later.

### Chronicler

The JAN/FEB newsletter will be out next week.

### Web Minister

We have a new web minister and deputy. Erinn and Ursus have begun the website overhaul.

### Madrigals

Still working on the wedding performance.

### Baron/ess

Takaya brought in the new baronial coronet mockup for people to see.

### Seneschal

We have and new Baron and Baroness. Congratulations to Molly and Adam! We need their personal heraldic devices posted to the website so people can get ideas for gifts.

Brianna received an email asking for a \$20.00 donation from the volunteer department for the 50th Year Event. We discussed what the donations could possibly be for, and since many of us will be working as volunteers, we decided to donate \$50.00.

### Archery

Working on the spring archery schedule and competition shoots for the event.

### Equestrian

The earliest equestrian practices can start is the Sunday after our event due to insurance restrictions. They will most likely begin official practices the weekend after our event.

### Chatelaine

If you are looking for unusual sized loaner garb, please contact her.

### Spring Event

We will have both sets of royals as well as two vigils at our event. There was much discussion about royal schedules, onsite camping, food, and other issues that

# Rivenstar's Baronial Business Meeting Minutes

might arise for Their Highnesses, Their Majesties, children, and attendants.

We discussed locations and room sizes for various events such as classes and bad weather backups for fighting. There will be a formal plan in place within the next few weeks. Gallien will confirm with Ross camp about using the auditorium and the classrooms.

We discussed feast tables, how many we are cooking for, how many tables can we fit, number of comp tickets, and number of tickets being sold. We discussed lunch menu, serving locations, and how many people we expect. We discussed food for A&S judges and possible locations for judging.

The idea was brought up to mark the hard boiled eggs with a white crayon (with a stick figure of the Rivenstar) and then dye them blue. We may do the marking and dying at Friday night prep.

We discussed site and feast tokens. Most people like the idea of using the recipe booklet as the feast token. There was some discussion of using the old site tokens left over from the last 40 years. Not every was in agreement that this was the best option, so we will discuss that at next week's meeting.

The Feast committee is creating a booklet again this year and when they have all of the ingredients, they will post them to the website.

We will start prep activities 5pm on Friday the 22nd.

## Meeting Minutes for 3-21-16

### Event Reports

Mallie shared with us a few quick tales of how they survived Gulf Wars. The severe storms caused quite a mess blowing tents and debris everywhere. Mallie and Adam jumped in and helped people recover from the storm.

### Officer Reports:

#### Madrigals

They are quite busy "Madrigulating Madrilistically"

#### Exchequer

Issued the check for the volunteers. We have lots of 3 Saints cards to hand out as site tokens.

#### Herald

The regalia committee has been busy and several members have consulted him about personal heraldic devices.

#### Chronicler

The latest issue of the newsletter is on the webpage and was sent out via the email list. There was a short discussion about photos and release forms. Katrin will ask the regional chronicler about the interpretation of public space and photos not needing release forms from people in the pictures.

#### Web Minister

Ursus has been very efficient (almost prescient) about getting updates made to the website. We still need to update the baronial history page. Moonwulf was tapped again to write up a history.

#### Baron/ess

We have samples of the new coronets for viewing. Please register for the 50th Year event now if you plan to go so we can get our allocated land. Also start registering for PENNSIC for that same reason.

#### Seneschal

Bianna received an email letting groups know that we need to change our wording from "Site Fee" and the like to "Registration" for event notices and other official announcements and documents. Apparently, this is an Indiana legal issue, so instead of selling tickets, we have to use the phrase Registration. The officers will need to amend their documents accordingly.

#### Archery

Making new targets and gearing up for upcoming practices.

#### Spring Event

Which classrooms will hold classes? The Auditorium building has two rooms. The smaller room is dedicated to classes. The larger room is available for use for classes if the weather is nice, but the fencers have priority if it rains.

There are no bathrooms or running water in the Auditorium.

We have two special classes so far. The fencing class will need space outside and the brewing class needs space for a camp stove. The brewing class does not

## Rivenstar's Baronial Business Meeting Minutes

violate the Ross Camp's "no alcohol rule" since the brew hasn't fermented into alcohol yet.

Can we have tents set up outside for classes? The consensus was yes, but we have to be careful about tent stakes since Ross Camp has utility lines running all over.

We will have two vigils. One will set up a tent near the pond. It's possible they may share the one tent. Nighthawk wants to bring his heraldry table. We are not sure there will be sufficient room, but we will see what we can do.

Pieter indicated that he will not be available to transport tents. We agreed to have a loading party before Pieter and Nan leave. We discussed which tents were most likely needed. The shower tent may or may not be suitable for the Royal Presence in which case Moonwulf can bring his fly tent. We might also want the girl's dorm for sun shade for the fighters.

We still need confirmation about where the royals are staying overnight Friday and Saturday. People have been asking about crash/camping space.

We discussed using the barracks dorm and Ross Camp's camping area. Sigulf will check into the logistics.

We discussed arrival times. We are recommending people don't arrive to set up tents until 5:00 pm Friday since most of us won't be on site until then. In past years, we have had until noon on Sunday to clear out of the area.

There was a request to have dogs and other animals on site. No animals may enter the buildings and no temporary gates or fences may be erected on site. Dogs and other critters must be leashed or in kennels (if not being directly handled by their owners.) Owners are responsible for cleanup. As long as the kennel or temporary enclosure does not need to be staked down, they should fine.

Moonwulf has requested someone to apprentice him when he places the road signs so at least one other person knows where they all go.

Marion is running out of freezer space for all the feast prepping she is doing. Moonwulf offered the use of his freezer and other ideas were pitched. Rocky will get the items for lunch during the week before the event.

The regalia committee needs to talk with Adam and Mallie about heraldry and regalia.

Do we want to create a fund for future regalia projects? The consensus was that we don't want a budget set as that doesn't seem to work well for our group. We will make a list of what we need and then set a budget for each project as they come along.

Meeting Minutes for 3-28-16

Officer Reports:

Chronicler

First quarterly report was submitted.

Archery

When can we switch back to Huis Doorn? For the next month, we will play it by ear as we get weather reports.

Do we want to do Thursday and Sunday practices again? The consensus was just Sundays for now. Riding starting at 1:00 pm and Archery starting at 4:00 pm. Can we still use Arrows III as a backup? The archery participants will discuss it at the next practice.

Rivenstar's Baronial Business Meeting Minutes

Herald

Has been working on consultations. The regalia committee met and they made a wish list and prioritized what items were on the list.

Marshal

A question was brought up about whether or not Malie wished to remain the Baronial Fencing Marshal while she is baroness. Malie agreed to remain the marshal, but with the understanding that we will need to find a replacement soon.

Baron/ess

Be sure and make your SCA/Middle Kingdom award recommendations soon. Either submit them online to their majesties or submit them to Moonwulf and Takaya and they will pass them along.

Spring Event

There was a request for space for a 20th Anniversary tent for Eric.

Sir Alan will be in the hospital during our event, so he wanted to know if we could skype him in for the things like court. We're not sure if that's feasible/practical, but we will try to see if we have the tech to make that work. We should be able to video record the events.

We have 3 merchants so far.

We've rented the assembly building, but the Dorm/bunk building is not available that early in the season. It was clarified that the dorm building is not the same as the A-frame dorm rooms.

We should come up with a list of sleeping options for TRMs and TRHs.

Sigulf will inquire about A-Frame keys to open the rooms at night for overnight guests.

Takaya mentioned she may stay at Ross Camp overnight so she will be available for overnight guests.

We can rent crash space in the A-Frame lodge for an additional fee. The lodge has 8 rooms. We will only comp the rooms for royalty, but we can extend the option to their retainers to rent other rooms for themselves.

There are primitive and modern camping spots over in the campgrounds in a different section of Ross Camp. They do have restrooms and showers. People must call the camp directly for reservations.

TRMs may be day tripping since they are coming up from Bloomington.

Will we have breakfast for those staying overnight in the A-Frame? Yes, Rocky was looking into getting food. We decided not to have thrown weapons this year since there is so much going on. That of course may change if someone outside the barony wants to marshal it.

We discussed feast food and upcoming sales.

We have signage for the standard locations, but we may need new signs for certain activities. The A&S folks will bring their own signs for registration and entries.

Katrin volunteered to create the site flyer with a schedule of events and map to hand out at troll. We discussed having a larger site map as well. There's nothing useful on the web, but Gallien may have an old hand drawn map we can use.

Katrin will also bring her large whiteboard for use at troll for whatever we need.
