Katrin's Tips for Reentering Society

1. Take it slow. We've been hiding in a cave for over a year. Wear your sunscreen, don your babushkas, and apply lots of sunscreen.
2. Respect people's boundaries. Ask before you bear hug your long lost friend so tight that they question their reason for coming out of hiding.
3. Continue using proper hygiene. This is not the time to slack off. Wash your hands you filthy animal.
4. Don't over do it. Don't jump back in and expect to be able to do the same amount work/activities. We've all gotten to indulge our inner sloth, so ease into things and put down that helium hand. Yeah, I'm talkin' to you!
